Thank you to all who attended the **Open Consultation meeting, at Bradwell Village Hall**, to discuss points of interest concerning the **Solar Farm appeal at Shilton Down Farm**.

Shilton Parish Council would like to thank Mr Harry Metcalfe who reported on the scheme and helped clarify some of the concerns raised.

After the meeting Mr Metcalfe kindly fed back to Ecotricity the discussion points raised by residents. As a result, **Ecotricity** is now reviewing the best way forward for the scheme and has put their **appeal application on hold**.
